It is understood from the Deputy Commissioner's letter now under disposal, (No. Ac. 656-A1, dated the 5th March 1925), that the deed of gift to be executed by Mr. Padmarajiah has to bear stamp duty, and as it is not possible to exempt the document from the stamp duty under the existing law, the Government have to pay the same. I am asked to state if the cost could be met from the sanctioned budget of the Medical Department. There is nothing in the file to indicate the exact value of the subject matter of the deed of gift to form an idea of the amount of stamp duty. However, it is presumed that it may not exceed Rs.100 or Rs.150/- and if the donor has spent some thousands on buildings it will seem to meet an expenditure of another hundred rupees or so to complete the stability is likely to be jeopardised on account of his failure, there is no help but to provide the necessary funds from the Departmental grants. Funds not exceeding Rs.150/- will be spared from any saving to meet the stamp duty.

The other point is, instead of the annual grant of Rs.50/- towards maintenance (that is, upkeep) of the dispensary building premises by the donor, to press which a certain amount is already deposited by him with Government Mr. Padmarajiah would now seem to want to be exempted from the said annual cash contribution and be willing to construct quarters for the staff and the rent to be levied from the occupants.

according to rules would be available for the upkeep of the buildings. In otherwords he probably wants the corpus of the fund deposited by him to be returned to him.

15 The staff of local fund Dispensaries deserves to be provided with free quarters and the question of exempting them from payment of rent where it is now paid, is under consideration. In these circumstances, it is futile to calculate on the rents to be recovered to meet the cost of annual upkeep of the buildings.

But when once all the required buildings are constructed by the donor and made over to Government it will necessarily be the duty of Government and the local bodies to arrange for the annual upkeep in the same way as other similar buildings. In this view and in view of the fact that the donor will have spent a considerable amount on the dispensary and the residential quarters, in addition to a ward, he may be exempted from the promised annual cash grant of Rs.50/- which may well be included in the recurring maintenance charges, by adding Rs.4/- and odd to the present monthly charges.

17 I would, however, suggest that the actual return to the donor of the corpus of the fund deposited by him be authorised only <u>after</u> all the promised buildings are actually completed and properly made over to Government.

Sir,

With reference to correspondence ending with Government Order No. L.8088-92/Med. 125-22-2 dated the 18/19th June 1923, I have the honor to state that Mr. G.K. Padmarajiah of Sravanbelagola has sent a plan of the In-patients' Ward which he has promised to provide at his cost for the Local Fund Dispensary building newly constructed by him, at Sravanbelagola. The District Medical Officer, Hassan to whom the plan was sent for opinion, has stated that the proposed ward is capable of admitting two beds at a time and four at a pinch. The Executive Engineer, Hassan Division has accordingly prepared an estimate for R. 5455/- for the work.

It will be seen from the Government Order under reference that Mr. Padmarajiah has consented to provide a ward as per approved design at a cost not exceeding R 2000/- and the estimate has now been prepared by the Executive Engineer for R 5415/- in accordance with the plan given by Mr. Padmarajiah himself. I have however, addressed Mr. Padmarajiah to arrange for the construction of the building irrespective of the cost seeing that it is intended to serve the public and that the

plan is of his own choice. I will submit a further report in the matter on hearing from Mr. Padmarajiah.

B a n g a l o r e.

Sir,

Adverting to Government Order No. L. 8088-92/Led: 125-22-2 dated 18th June 1923 and subsequent correspondence ending with my D.O. letter No. 656-22/H.C. dated 31st January 1925 in the matter of obtaining from Mr. G.K. Padmarajaiya, of deeds of certain gifts made by him for the Local Fund Dispensary at Sravanabelagola, I have the honor to state that the Amildar of Chennarayapatna Taluk reports that Mr. G.K. Padmarajaiya is quite prepared to execute the deeds of gift in question. But the question of payment of stamp duty due in respect of the deeds has cropped up. Mr. Padmarajaiya requests that the cost of stamp duty may be borne by Government. In consideration of the fact that he has placed a valuable building at the disposal of Government for location of the Hospital with suitable grant for its upkeep, it seems to me that his request is reasonable and may be accepted or the stamp duty may be waived, as a special case.

2. With regard to the annual cash grant of 450/- promised by him for the maintenance of the Dispensary, Mr. Padmarajaiya seems to request that in lieu of cash grant, he may be allowed to construct suitable residential quarters for the Sub Asst.

Sub Assistant Surgeon and Midwife and the rent realised therefrom utilized for maintenance charges of the Dispensary. I think that this suggestion also of Mr. Padmarajaiya is acceptable, particularly in consideration of the fact that suitable accommodation for the Hospital Staff close to the Dispensary is advantageous in many respects.

3. In these circumstances, I request that you will be so good as to move the Government and obtain their orders in the matter at a very early date.

4. I may mention that Mr. Padmarajaiya has put the work of construction of the Inpatients ward attached to the Dispensary in hand as agreed to by him, and I learn that the foundation stone will be laid during the present Mahamastakabhisheka Ceremony shortly.

I have the honor to be,

3. The pay of the Sub Assistant Surgeon and the cost of Europe Medicines will, as usual, be met from State Funds and the other charges by the District Board.

4. The Deputy Commissioner, Hassan, District, should obtain a formal registered deed of gift of the building in favour of Government [illegible] by Mr. Padmarajiah and his heirs etc.

together with the deed [illegible] Corpus of his endowment grant to the institution, now [illegible] with Government, he should also obtain a Sanction from Mr. Padmarajiah for the construction of the ward in connection with the dispensary building, as promised by him in the course of the next six months or one year.

4. Government observe that there is no need to increase the cadre of Sub Assistant Surgeons by one, as proposed, by the Senior Surgeon in this connection. The Senior Surgeon is requested to utilize, for manning this hospital, the services of one of the two Sub Assistant Surgeons, ordered to be reduced in Government Order No.6775-6/C.B.155-21-8 dated the 1st May 1922. Proposals for shifting the Vaidyalasa at Sravanabelagola to some other locality in the District, may be submitted by the President of the District Board of the Hassan District, as the question of removing it to Herisave does not now arise at all, as the question of opening an L.F. Dispensary at the place is also under [illegible] consideration.
